| Address of Official Company Registration |                                                                                                                                                                                                                                                       |
| Company Name for Website Display         | OnX.finance                                                                                                                                                                                                                                           |
| Description of Company                   | OnX Finance is the first DeFi platform for collateralized tokens.                                                                                                                                                                                     |
| Company Website                          | <a href="https://onx.finance/">https://onx.finance/</a>                                                                                                                                                                                               |
| Whitepaper Link                          | <a href="https://onxfinance.gitbook.io/onx-finance/">https://onxfinance.gitbook.io/onx-finance/</a>                                                                                                                                                   |
| Mission and Vision                       | OnX Finance adds the missing link on top of the existing DeFi foundation: a platform specifically targeting collateralized tokens, such as LP tokens (Uniswap, Sushiswap), yield earning tokens (YFI) and the emerging bond tokens (such as ankrETH). |

## ITEM 2. Team

### 2.1 Executives & Founders

The following sets forth certain information regarding the company's executive officers and founders, their details and positions as of 2020-12-28

No data available

### 2.2 Engineering Team Leaders

The following sets forth certain information regarding the company's development and engineering leaders, their details and positions as of 2020-12-28

No data available

### 2.3 Advisory

The following sets forth certain information regarding the company's advisories, their details and positions as of 2020-12-28

No data available

### 2.4 Organization Structure

The following sets forth certain information regarding the structure of the company as of 2020-12-28

| Name of Department/Group/Office/etc. | Number of Full-Time Staff | Number of Part-Time Staff | Head of Department (Maybe left blank) |
|--------------------------------------|---------------------------|---------------------------|---------------------------------------|
| No data available                    |                           |                           |                                       |
| Total                                | 0                         | 0                         |                                       |

PART II. Business Information

ITEM 1. Industry Classification

|              |                          |
|--------------|--------------------------|
|              | Not Applicable           |
| Sector       | Financials               |
| Industry     | Financial Services       |
| Sub-industry | Other Financial services |
| Categories   | 1. Yield Farming         |
|              | 2. Insurance             |
|              | 3. Lending               |
|              | 4. Asset Management      |

ITEM 2. Industry Description

2.1 Industry Overview

Over the last year, there has been tremendous growth on Ethereum for projects within the decentralized finance ecosystem, including Uniswap, Sushiswap, Aave, Curve, Compound, Yearn, and many others. However, there is an important piece of the puzzle missing on top of the existing foundation: which is a DeFi hub specifically for collateralized tokens.

2.2 Recent Trends

2.3 Target Market Size

2.4 Target Customers

2.5 Competitors

2.5.1 Existing Industry Competitors

The following sets forth certain information regarding the company's conventional competitors already established within the industry as of 2020-12-28:

No data available

2.5.2 Token Project Competitors

The following sets forth certain information regarding the company's competitors that have implemented Token economics as of 2020-12-28:

No data available

ITEM 3. Project's Business Model

3.1 Business Description

3.1.1 Revenue Model

3.1.2 Platform or Application Overview

General platform description

No Input

Functions of the solution

No Input

User pain points

No Input

3.1.3 Product/Service Line Description

No data available

3.1.4 Competitive Advantage

No Input

3.1.5 Intellectual Property

No Input

3.2 Partnerships

3.3 Project Progress

History

No Input

Project Status

No Input

Development of the platform and business operations have been or will be funded through the following sources

Plan or Strategy to expand platform or token

No Input

3.4 Milestones

| Title | Target Date | Status | Description |
|-------|-------------|--------|-------------|
|-------|-------------|--------|-------------|

3.5 Use Case

No Input

3.6 Legal Concerns

No data available

PART III. Financial Information

ITEM 1. Equity Shareholders

The following sets forth company cap table of equity shareholders of the organization with more than 5% stake as of 2020-12-28  
Number of Shares Outstanding:

| Shareholder Name  | Title or Relations with Company | Percentage of Total Outstanding Shares | Number of Shares |
|-------------------|---------------------------------|----------------------------------------|------------------|
| No data available |                                 |                                        |                  |

ITEM 2. Equity Funding History

2.1 Equity Funding Rounds

| Transaction Name  | Announced Date | Number of Investors | Money Raised (In USD) | Lead Investors |
|-------------------|----------------|---------------------|-----------------------|----------------|
| No data available |                |                     |                       |                |

2.2 Extraordinary Relations with Company

The following sets forth companies and organizations with extra-ordinary relations with company as of 2020-12-28

| Company Name      | Country of Incorporation | Start Date | End Date | Relationship Details |
|-------------------|--------------------------|------------|----------|----------------------|
| No data available |                          |            |          |                      |

ITEM 3. Financial Disclosures

The following are simplified and condensed financial statements submitted by the company for disclosure last updated on 2020-12-28:

3.1 Simplified Income Statement

☐ Year ☒ Quarter

3.2 Simplified Balance Sheet

☐ Year ☒ Quarter

3.3 Key Ratios

No data available

PART IV. Token Information

ITEM 1. Token Profile

|                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                 |
|---------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Token Name                                                                                        | OnX.finance                                                                                                                                                                                                                                                                                                                                                     |
| Symbol                                                                                            | ONX                                                                                                                                                                                                                                                                                                                                                             |
| Token Economy                                                                                     | ONX will be an integral part of the onyx finance protocol. The token will be used as follows:<br>-To pay interest for OnX Lending<br>-To receive discounts on the onyx platform<br>-To receive a portion of trading fee's from the CTS<br>-More benefits as services and products are added to the protocol<br>-Governance abilities — more information to come |
| Token Usage                                                                                       |                                                                                                                                                                                                                                                                                                                                                                 |
| Short Token Description                                                                           | ONX can be considered as LP tokens, yield-earning tokens on projects like yearn, and even the newly-emerged Bond tokens.                                                                                                                                                                                                                                        |

2.1 Token Sales details

|                                                        |
|--------------------------------------------------------|
| No Input                                               |
| Percentage of individual investors at initial offering |
| Terms and conditions for top backers                   |
| No Input                                               |

2.2 Initial Offering Rounds

|                                                                                                                                                                                                                      |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| No data available                                                                                                                                                                                                    |
| *: Proposed calculation, but not necessarily mandatory, is based on USD equivalent of cryptocurrency received between the start and end date of the Token sale duration calculated by ((High+Low)/2) of market price |

ITEM 3. Token Supply History

The following is a manual record Token supply history as of 2020-12-28. Corresponding transactions hashes have not been provided within this report.

| Purpose           | Date | Amount | Value (USD) | Post Total Supply | Post Circulating Supply |
|-------------------|------|--------|-------------|-------------------|-------------------------|
| No data available |      |        |             |                   |                         |

ITEM 4. Listed Exchanges

|                                                                                   | Exchange       | Pair    | Price | Volume   | Percentage |
|-----------------------------------------------------------------------------------|----------------|---------|-------|----------|------------|
|   | Bilaxy         | ONX/ETH | \$1   | \$57,037 | 99.40%     |
|  | 1inch Exchange | ONX/ETH | \$1   | \$337    | 0.60%      |

ITEM 5. Token Ownership

The following is an automatic query result of wallet addresses based on balance holdings with meta data application as of 2020-12-28.

| Rank | Address                                                 | Balance | Percentage |
|------|---------------------------------------------------------|---------|------------|
